NON FLAVORED SELECTION

Gifts to meet your needs

Single pot packs are pre-ground and will brew 10-12 cups of coffee if using a standard sized coffee maker. If using a k-cup style refillable capsule, simply use the amount of coffee as you normally would. These gifts make great individual gifts.

Our larger gift sets come with enough coffee to share. Our **8 oz. and 12 oz.** gift sets come with the option for whole bean or ground coffee.

Corporate gift sets are packaged to order. Please contact us in advance before stopping by to purchase your gifts.
